

Sirs- I would like to
express my ~~constent~~
consternation concerning
your poor taste & lack of
sympathy for the public, as
evidenced by your running
of the ads for the movie
"Badlands" featuring the
blurb "In 1959 most people
were killing time. Kit & Holly
were killing people." In
light of recent events, this
kind of murder-glorification
can only be deplorable at
best (not that glorification of
violence was ever justifiable)
why don't you show some
concern for public sensibilities
& cut the ad?
